

REMARKS

This is to confirm the telephone discussion on July 11, 2005 with the Examiner in which it was determined that the Office had erroneously noted this case as abandoned, which error the Examiner stated that he was correcting since a Notice Of Non-Compliance and not abandonment had been sent.

This amendment cures the non-compliance by amending claim 24 to complete the parentheses and amending claim 25 (erroneously labeled 5 in said notice) by completing the spelling of "access".

Now that there has been full compliance, reconsideration and allowance are respectfully requested for the reasons explained in detail in the remarks accompanying the previous amendment of March 24, 2005.

All costs incurred hereby, including for time extension(s) in the application, petition for which is hereby made, and all other costs incurred herein, may be charged to the Deposit Account No. 18-1425 of the undersigned attorneys.

Respectfully submitted,

RINES AND RINES
